LOCATION

Six miles south of Jefferson on State Highway 4, then east on 310th St for one half mile. Farm is located at the SE corner of the intersection of 310th St and O Ave.

DESCRIPTION

Excellent Greene County farm priced to sell! Good cropping history, farmed with minimum tillage and corn/soybean rotation. Conservation management practices including terraces and CRP. Drainage ditch was dredged in 2020. New owner(s) may have the option to install a saturated buffer through partnership with the Iowa Soybean Association. Excellent wildlife habitat offers great hunting potential. Close proximity to several grain receiving facilities including New CO-OP, Landus, Poet Biorefining and Louis Dreyfus Company. This farm would make a GREAT BUILDING SITE! Nearby access to Raccoon River Valley Trail. Call for information or visit WWW.COMMINS.NET and visit the 'Real Estate' page.

TERMS AND CONDITIONS

- VISIT WWW.COMMINS.NET for additional information about the farm. Select the **REAL ESTATE** tab to view documents for **HENNING LAND SALE**.
- Farm is listed for sale through Community Insurance Agency. Buyers may contact the agency at 712-999-2288 to complete a purchase agreement or they may submit an offer through their own realtor/broker. Realtor contact information is shown at the bottom of this page.
- Field boundaries are presumed to be accurate according to the best available information and knowledge of the Seller and Realtor. Overall tract acres, tillable acres, etc. may vary from figures stated within the marketing material. Buyer should perform his/her own investigation of the property. Existing fences are in as-is condition and will not be updated or replaced by the Seller. Survey will be the responsibility of the buyer, if elected.
- If mutually agreed to by both parties in writing, buyer may be given access to real estate prior to closing date. Possession to be given at closing, subject to farm tenants rights.
- All facts and figures have been researched from reliable sources but are not guaranteed or warranted by the sellers or realtors.
- Farm is rented for the 2025 crop year. Rental rate \$260/tillable acre. Current tenant has been terminated for the 2026 crop year.
- Farm program information is provided by the Greene County Farm Service Agency. Base acres, total crop acres, conservation plan, etc. may be subject to change when the farm is reconstituted by the Greene County FSA and NRCS offices. Figures stated in marketing material or shared prior to the sale are best estimates of the seller and Community Insurance Agency.
- Taxes and CRP payments will be pro-rated to the date of closing.
- Farm is located within drainage district 187. The drainage ditch was dredged in 2020 with existing tile outlets cleaned or repaired. A copy of the engineer's report and ditch repair plan is available. There may be additional field tiles on the farm that are not identified in the report. The farm is currently in a 20 year special assessment for the drainage ditch repair project. Drainage assessment will be pro-rated to the date of closing.
- Abstract(s) will be updated or created at seller expense. The brief legal description given in the marketing materials should not be used for legal documents. The legal description will be taken from the abstract or survey.
